C.B. BHANDARI JAIN COLLEGE

#84, K.R. ROAD, SHANKARPURAM, BANGALORE - 560004.
(Affiliated to Bengaluru City University & Recognized by the Government of Karnataka)

Program and Course Outcome Attainment

1. The students are informed about the outcome of the programs in the orientation program organized at the beginning of every year. The Principal communicates the vision, and Mission of the institution to the students.
2. Program outcomes and course outcomes of all the courses are displayed in college website.
3. Faculties communicate the outcomes of each course to the students for their better understanding.
4. Direct and indirect attainments of program and course outcomes were evaluated through Semester-end examinations conducted by the university and Exit survey conducted by the college respectively. Value added courses, workshops, seminars, group discussions, case study analysis, placement training, career counselling are been provided as remedy to overcome the shortcoming in attainment of outcomes.

Questionnaire for Indirect Measurement of Program Outcomes

Department of B.COM/ BBA

Questionnaire for Indirect PO Attainment

Course:

Date: 2nd June

Dear Student,

It is our pleasure to note that you are completing your Under Graduation program. We wish and hope that you have assimilated all that is required for you successful career. Kindly give your response on the following outcomes you have gained through your UG program.

Head of the Department

At the end of my UG program, I am able to:

1. Apply the basic knowledge of Commerce and Fundamentals to solve problems.
(Ranking: 3- Strongly Agree, 2- Agree, 1- Average)

Strongly Agree Agree Average

2. Identify, formulate and analyze complex problems.

Strongly Agree Agree Average

3. Design solutions for complex problems with a concern for public health and safety, cultural societal and environmental issues.

Strongly Agree Agree Average

4. Conduct research based investigation by using different statistical methods and interpret the data.

Strongly Agree Agree Average

5. Select, Create and use appropriate modern IT Tools and Techniques to predict and model activities.

Strongly Agree Agree Average

Questionnaire for Indirect Measurement of Program Outcomes

Department of B.COM/ BBA

Questionnaire for Indirect PO Attainment

Course:

Date: 3/6/2025

Dear Student,

It is our pleasure to note that you are completing your Under Graduation program. We wish and hope that you have assimilated all that is required for your successful career. Kindly give your response on the following outcomes you have gained through your UG program.

Head of the Department

At the end of my UG program, I am able to:

1. Apply the basic knowledge of Commerce and Fundamentals to solve problems.
(Ranking: 3- Strongly Agree, 2- Agree, 1- Average)
Strongly Agree Agree Average
2. Identify, formulate and analyze complex problems.
Strongly Agree Agree Average
3. Design solutions for complex problems with a concern for public health and safety, cultural societal and environmental issues.
Strongly Agree Agree Average
4. Conduct research based investigation by using different statistical methods and interpret the data.
Strongly Agree Agree Average
5. Select, Create and use appropriate modern IT Tools and Techniques to predict and model activities.
Strongly Agree Agree Average

Questionnaire for Indirect Measurement of Program Outcomes

Department of B.COM/ BBA

Questionnaire for Indirect PO Attainment

Course:

Date: 3/6/25

Dear Student,

It is our pleasure to note that you are completing your Under Graduation program. We wish and hope that you have assimilated all that is required for your successful career. Kindly give your response on the following outcomes you have gained through your UG program.

Head of the Department

At the end of my UG program, I am able to:

1. Apply the basic knowledge of Commerce and Fundamentals to solve problems.
(Ranking: 3- Strongly Agree, 2- Agree, 1- Average)
Strongly Agree Agree Average
2. Identify, formulate and analyze complex problems.
Strongly Agree Agree Average
3. Design solutions for complex problems with a concern for public health and safety, cultural societal and environmental issues.
Strongly Agree Agree Average
4. Conduct research based investigation by using different statistical methods and interpret the data.
Strongly Agree Agree Average
5. Select, Create and use appropriate modern IT Tools and Techniques to predict and model activities.
Strongly Agree Agree Average
