| Activity | The Indians for India Awards 2024 Green Citizenship |
| Date | 07 th September 2024 |

Introduction

The Indians for India Awards 2024 organized by the Environmentalist Foundation of India (E.F.I), celebrated and honored individuals and institutions making significant contributions toward environmental sustainability and community well-being. The event aimed to recognize initiatives that promote green citizenship, ecological balance, and environmental responsibility.

Award Recognition

CB Bhandari Jain College was proudly awarded under the Green Citizenship category. This recognition was bestowed in appreciation of the college's unwavering commitment to environmental conservation and its consistent efforts toward the betterment of Bengaluru and its environment.

The award highlights the institution's dedication to eco-friendly initiatives, student engagement in environmental awareness activities, and proactive contributions to sustainability.

Key Highlights

- Recognition under the Green Citizenship initiative.
- Appreciation for the college's contribution to the betterment of Bengaluru's environment.
- Encouragement for students and faculty to continue sustainable practices.
- Motivation for other institutions to adopt similar eco-conscious measures.

Conclusion

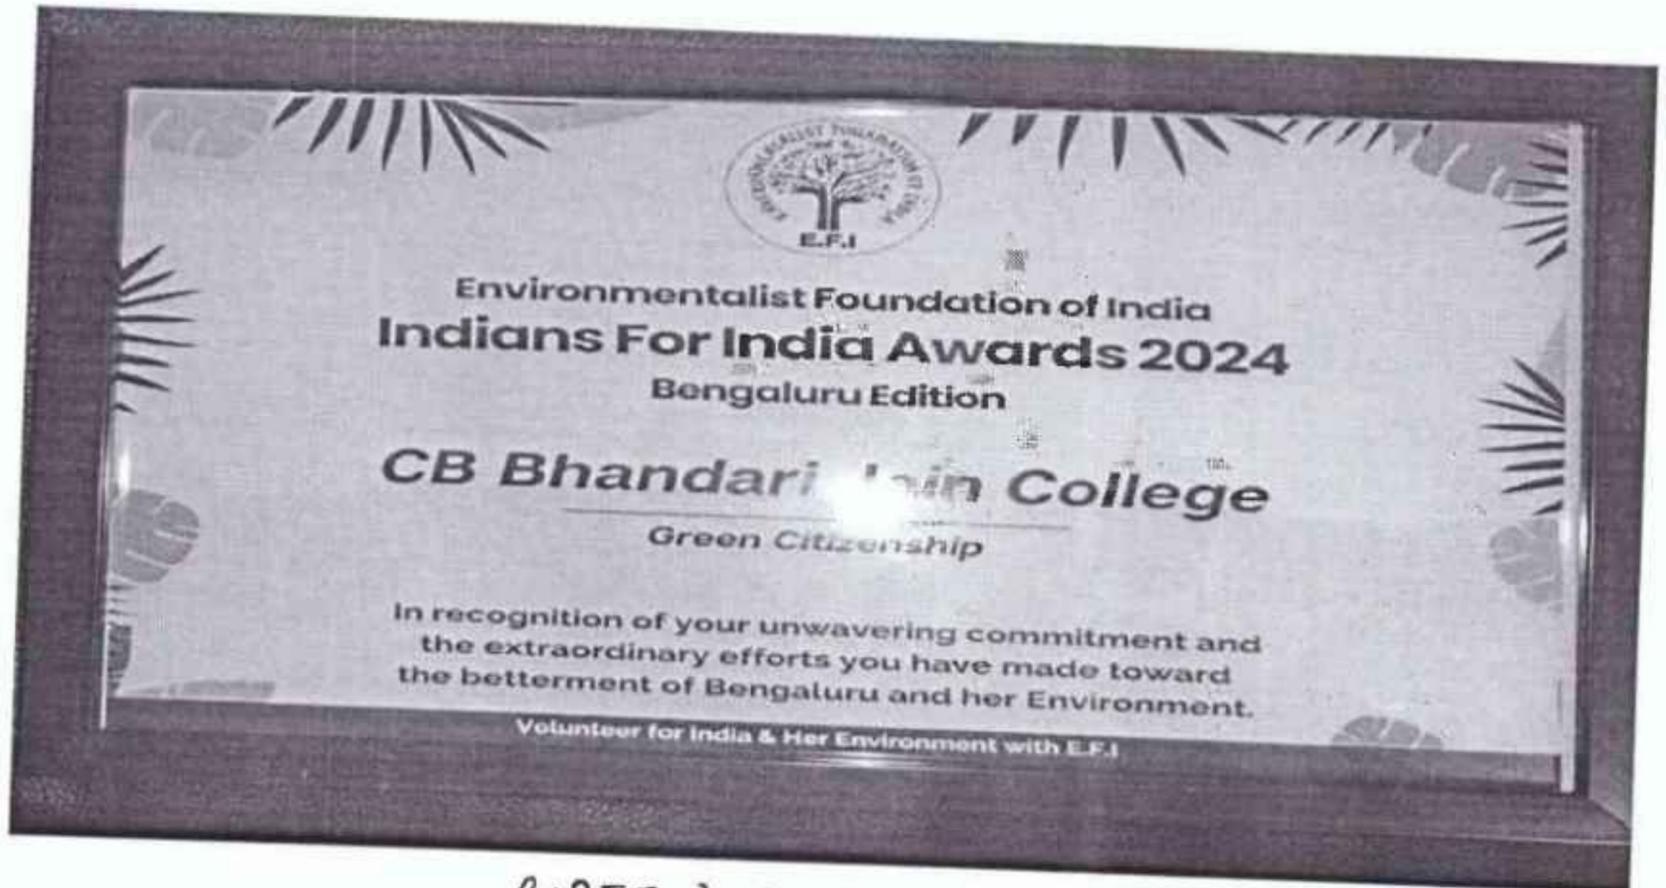

The Indians for India Awards 2024 was not only a celebration of achievements but also an inspiration for future actions. Receiving this recognition from E.F.I stands as a milestone for CB Bhandari Jain College, reinforcing its mission to foster environmental responsibility among youth and the community at large.

This award is a testament to the power of collective action in protecting and preserving our environment for generations to come.

Activity Report

| | |
|-------------|---------------------------------------|
| Committee | Eco club |
| Coordinator | Swapna .S |
| Activity | A session on Environmental Protection |
| Date | 9 th April 2025 |

Details of the Activity

| | |
|---|--|
| Conducted by | Objective |
| MS. Anuvarta Project co-ordinator ITC WOW – Wellbeing out of Waste | To raise awareness among students about the importance of waste management and sustainable living practices. |

An enlightening session on **Environmental Protection – “Living Green: From Awareness to Action”** was conducted by Ms. Anuvarda, a representative of ITC WOW (Wellbeing Out of Waste) initiative 9th April 2025 at 11:30 am in the auditorium. The session aimed to raise awareness among students about the importance of waste management and sustainable living practices.

Ms. Anuvarda emphasized the urgent need to protect the environment through **Reduce, Reuse, and Recycle** principles. She explained how ITC WOW contributes to environmental sustainability by promoting waste segregation at the source and encouraging communities to adopt ecofriendly habits. The session concluded with an interactive Q&A, where students actively participated and shared their ideas on environmental protection. It was an inspiring and informative experience that encouraged everyone to take responsibility for a cleaner, greener future.

Outcome:

- Awareness created among the students on the importance of proper waste disposal in the campus and outside the campus.
- Created consciousness about the environment with major focus on waste and its impact on the environment and eventually us.

| Coordinator's | Geethalakshmi |
| Activity | Volunteering Art Material packing |
| Date | 26 th august 2024 |

Details of the Activity

| Conducted by | Objective |
|----------------|---|
| Youth for Seva | To make students understand the importance of Volunteering. This volunteering work was undertaken at Param Science Experience. |

Detailed Report on the activity conducted:

Outcome: Post conduct of the activity students were immensely satisfied with their volunteering work.

Communication received for the event:

Hello all,

We are Param Science Experience Centre associated by Yfs. Our vision is to make science a lifestyle, through various hands on exhibits and experiential learnings.

We are coming up with a premier science museum and innovation hub by next year.

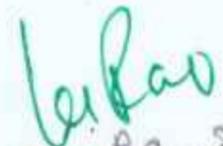

As a start to it, we have built a Incity science centre in Jayanagar for all age groups. Its a ticketed centre, of which all proceedings will go to JanaSeva Trust, a 60 year old non profit, which is our parent NGO.

www.paraminnovation.org is our website for your reference.

We need you as a volunteer for weekends to facilitate at our science galleries. I believe its a very good opportunity to all of you to explore our museum, as well as be a part of our community. Tasks would be like - taking the group tours, crowd management, feedbacks and explaining the exhibits. Training for the same will be given by our facilitators at the venue.

Science Background is not mandatory

Date - 24 and 26 August

| Activity | Paper bag making for kadle kayi parishe |
| Date | 23rd of November 2024 |

Details of the Activity

| Conducted by | Objective |
|----------------|--|
| Youth for Seva | To minimize the usage of plastic covers/ bags in kadle kayi parishe. |

Detailed Report on the activity conducted:

As youths awareness & care towards environment is essential. In order contribute to the environment, our students prepared paper bags on their own with huge interest. Then the bags were distributed to the vendors of kadle kayi parishe. They also prepared boards saving slogans on banning plastics & displayed them. Students also explained the visitors & requested them not to use plastic. The paper bags distributed were used instead of plastic covers & bags which has reduced use of plastic to a greater extent. Students enjoyed the whole process of contributing small thing towards environment.

Outcome:

Students learnt to make paper bags, distributed it for the vendors of kadle kayi parishe, spread awareness about environmental disasters caused by plastic.

Communication received for the event:

Subject: Engaging Students in Sustainable Initiative for Kadale Kaayi Parishe - Paper Bag Making Activity

C.B. BHANDARI JAIN COLLEGE

#84, K.R.ROAD, SHANKARPURAM, BANGALORE – 560004.
Affiliated to Bengaluru City University, Accredited by NAAC & Approved by AICTE

Dear Faculty Members

Warm greetings from Youth for Seva

We are thrilled to share an opportunity for students to participate in a meaningful initiative that combines creativity, sustainability, and community service. This year, as part of the annual Kadale Kaayi Parishe in Basavanagudi, Bangalore, we aim to encourage the use of eco-friendly alternatives by distributing paper bags to vendors at the event. To achieve this, we are inviting students from engineering colleges across Bangalore to participate in a paper bag-making activity.

Purpose of the Activity: Kadale Kaayi Parishe is a cherished tradition, and we want to contribute to this historic festival by promoting sustainable practices. The paper bags created by the students will replace single-use plastic bags, benefiting vendors and festival-goers alike, and reinforcing environmental responsibility.

How Your Students Can Contribute: We request your support in mobilizing students to participate in this paper bag-making activity. The task is simple, engaging, and highly impactful. Not only will students help reduce plastic waste, but they will also experience the joy of contributing to a local cultural event.

Activity Guidelines:

1. Each participant can use old newspapers or recycled paper to make bags.
2. We will provide a standard template for bag dimensions to ensure uniformity.
3. Completed paper bags can be collected at [Collection Points/Your Institution's Address], after which they will be distributed to vendors at Kadale Kaayi Parishe.

Impact: By engaging your students, we aim to foster a sense of environmental stewardship and responsibility. Their involvement in this activity will directly support Bangalore's vendors and contribute to an eco-friendly festival.

We hope you'll consider joining hands with us in this initiative. Kindly let us know if you'd like to discuss this further or need any resources to facilitate the activity.

Thank you for considering this opportunity to make a difference together.
